Counselling-cum-Provisional Admission for Class XI, 2021-22

Dear Parents

Greetings!

Hope you and your family are healthy and safe.

We appreciate your whole-hearted support and cooperation during the difficult times of pandemic (from March 2020 to December 2020) without which we might not have been able to carry out the online teaching learning transactions so seamlessly. The faith imposed by you right from January 2021 by sending your wards to school to attend the physical classes as well as to write the Sahodaya Pre Board Examination 2021 in offline mode also needs a special mention. While declaring the result of Sahodaya Pre Board Examination 2021, we are quite confident that, our sincere and hardworking students with the unconditional support and help of their parents and teachers, will definitely be able to add golden glory to their Alma Mater by their superb performance in the upcoming CBSE Board Examination 2021.

This is for information of all concerned that the Admission Committee of the school has decided to accommodate all the Class-X students of the school in Class-XI Science, Commerce & Humanities streams for the session 2021-22. **Mathematics as an elective can only be opted if the student has opted and qualified in Mathematics-Standard in AISSE 2021. However students passing AISSE 2021 with Mathematics-Basic can opt for Applied Mathematics in Class-XI.** Keeping in view the coverage of the vast syllabus of Class-XI, **the Academic Committee of the school has planned to start our regular classes of Class-XI provisionally from the month of June 2021.**

In this regard, the students of Class-X desirous to continue in Class-XI in this school are required to remit **₹5000/-** towards the **Counselling-cum-Provisional Admission Fee through on-line payment** under Miscellaneous Fee through the school website www.davunit8.org before the date of counselling. This amount shall stand adjusted against the school fee for 2021-22. The amount shall be forfeited, if the student, for any reason, does not continue in the school or leaves the school.

On the basis of their performance in the recently conducted Sahodaya Pre Board Examination 2021, the students have been advised to opt for different streams. However, any request for change of stream shall only be entertained after the declaration of results of AISSE 2021. **The counselling cum provisional admission into Class-XI will be held on 09/03/2021.**

The students along with their parents are required to report in the UPR VR Hall exactly at the time detailed below and produce the **duly filled in proforma** printed overleaf along with **photocopy of the on-line payment receipt of ₹5000/-**.

Separate Counselling cum Help Desk shall also be available for the students interested for **IGNITE (Medical), IGNITE (Engineering) and Integrated Medical Section**. Students desirous to be a part of the IGNITE wing may appear DAV Aptitude Test on 20/03/2021 without payment of any additional fee. **Students admitted to these two courses shall have to pay extra amount towards the provision of extra guidance by outside resource persons and study materials.**

This would definitely give them an exposure to proper time management and enhance their level of confidence too. We are hopeful that, **the Pre Annual Examination scheduled during the first week of April 2021** would definitely show a remarkable improvement in our students' performance.

Hard work, dedication and sincerity are the ingredients needed to cook the meal of success. All that the students have to do, is to put them together in the right manner and with a little salt of luck, they will surely taste the delights of achievements in AISSE 2021.
