Greetings of the day!***Trust and pray all well with you and your family.***

The cooperation of parents along with their close monitoring coupled with the students' adherence to the situational guidelines issued by the school from time to time; we could successfully and effectively continue our teaching learning transactions till date despite numerous challenges coming our way.

Now time has come to follow the guidelines issued by the School & Mass Education Department, Govt. of Odisha dated 10.11.2021. Accordingly the School Management has decided to **reopen the school for Class VI & VII w.e.f 29.11.2021** strictly following the SOP of COVID-19. However, as per the directive of the Govt. notification, **the parents have to give their written consent** for sending their wards to school to attend the offline classes in the school campus.

Classes as per the prevailing time table will start at 09.00 am and end at 12.30 pm and will continue both in ONLINE & OFFLINE mode.

Upon reopening of school from 29.11.2021, parents are requested to drop their wards near the designated gate of the school & wait till the student is given an entry into the school after proper thermal scanning & sanitization. Students who would be found having temperature above 98.6 degree Fahrenheit will be sent back along with the parents.
